SUNDAY SCHOOL AND TRACT DEPOSITORIES.

A NUMBER of individuals of this town and neighborhood have paid between \$700 and \$800 for Sunday school books and religious Tracts, and have thus established these Depositories which are intended to be perpetual.

These books and tracts are sold at cost and charges, without any profit, to all who will buy, and the money reinvested in books of the same kind, and thus the supply is always kept up. The books are sold at the same prices that they are sold at the Depositories by retail in New York and Philadelphia.

These books and tracts inculcate that form of truth and doctrine in which Christians are agreed generally; and have nothing sectarian in them; and thus are calculated to supply the wants of Christians of every evangelical denomination.

The Depositories are at the Book Store and are kept and attended to free of charge or expense.

The following Periodicals devoted to Agriculture are received in exchange at this office, and files of them kept in the bookstore, which Planters are invited to call and examine with a hope that for their own interest they may be induced to subscribe.

The SOUTHERN AGRICULTURIST, published monthly in Charleston, S. C. at five dollars per annum.

The FARMER AND GARDENER, successor to the AMERICAN FARMER, published weekly in Baltimore at five dollars per annum.

The CULTIVATOR, published monthly in Albany, N. Y. at fifty cents per annum.

The WESTERN FARMER, published monthly in Cincinnati, Ohio, at one dollar per annum.

The MONTHLY GENESSEE FARMER, published at Rochester New York, price fifty cents per annum.

TENNESSEE FARMER, published monthly in Jonesborough, Tennessee, at one dollar per annum.

Devon Stock.

THE editor of the *Farmer and Gardener* (Baltimore) can at all times supply orders for Devon Cattle. This breed is so distinguished for their easy keep and docility, the richness of the milk of the cows, and for the activity and sprightliness of the oxen, that they would be admirably suited to the purposes of southern agriculturists. The happy adaptation of the Devonshire Oxen, for the purposes of the farm, will be understood, when it is stated that 4 oxen have been known to plough 2 acres of ground in a day, and a team of them to trot at the rate of 6 miles an hour with an empty wagon.

Any person wishing to procure them can be supplied by addressing a letter, post paid, to the editor of the *Farmer and Gardener*. July 19

THE Subscriber wishes to purchase for cash a few likely negroes. Those from eight to thirty years of age would be preferred. Any communication on the subject through the Post Office directed to Bennettsville will meet attention.
